Human Rights Council 43rd Session Side event: Children's Access to Health

Palestinian children from Gaza face many challenges to access health services, increasing the risk of their right to health being violated. In this side event, the panellists will discuss some of these obstacles, such as frequent delays in obtaining travel permits and separation of children from their parents when they leave Gaza for treatment. Perspectives and recommendations for what can be done to improve the situation will also be presented

Date: Thursday, 27 February, 2020, Room XXII, Palais des Nations

Time: 11:30 to 12:30

Speakers:

- Dr. Khadra H. Salami, MD, Augusta Victoria Hospital, Jerusalem
- Mr. Marco Velasco, Country Coordinator, Médecins du Monde Spain
- Ms. Ghada Majadli, Physicians for Human Rights Israel, Occupied Palestinian Territory Department
